SOCIAL MEDIA FOR BABY BOOMERS: How to translate your decades of knowledge and experience into social influence

Do you feel you should be on social media but can't get your head around it like the younger generation? That you've left it too late to use modern technology to your personal or professional advantage?

If you want to get into social media and keep pace with technology for your career or business, then this book is for you.

TESTIMONIALS

*I've recently had the great pleasure of collaborating with Sandra on a number of podcasts. She is a star! I have found Sandra to be **extremely professional, capable** and **super-passionate** about what she does. She executes everything 110% and makes the whole experience extremely enjoyable. Sandra is building a fantastic organisation with a lovely social conscience and I commend her highly for that! If you have the opportunity to work or collaborate with Sandra you won't be disappointed! :)*

*Sandra is a **strategic minded** and **action oriented** person who is a pleasure to work with in our consumer advocacy capacity. Her opinions, input to, and solutions to discussions and issues is always well considered and evidenced based while acknowledging and taking into account the many perspectives that each issue has.*

Sandra is very thorough in her approach, and a pleasure to work with.
